## FT2 Product Specifications

- **Unique design integrates Olympic bar and weight stacks**, eliminating the need for Olympic weight plates.
- **Dual pulley system adjusts to 32 positions** for unlimited functional training capability.
- **Pull-up bar is adjustable in height** to accommodate low ceiling height.
- **Innovative weight multiplier feature** doubles maximum resistance to accommodate heavy lifters.
- **Fully loaded includes** SCS Bench, leg extension attachment, and leg kit.
- **Dual Independent Weight Stacks:** 165 lb. commercial weight stacks allow you to work each side of the body independently for a more balanced workout.
- **Accessories:** Tricep rope, pair of D handles, straight bar, curl bar, ankle cuff, 2 water bottles, multi-function belt, swing handle, 2 - 5lb. add-on weights, exercise flip chart.
- **Options Available:** 2 - 50lb. weight stack add-ons, SCS bench, leg extension attachment, preacher curl attachment, accessory rack, and abdominal bar.
- **Optional leg extension/leg curl attachment** conveniently hooks up to weight stacks for a smooth, commercial feel.

### Warranty

Residential: Limited Lifetime on frame and all parts.
